

THE ROVER Volume 01 No. 21

"The Rover: A weekly magazine of tales, poetry and engravings, original and selected" was a magazine started in 1843 by Seba Smith and Lawrence Labree. The editors aimed at a high quality standard in their selection of short stories and poetry. Every half-year, the 26 weekly issues were also published under a bound compilation. This is the 21st issue of the series with yet another interesting collection of short stories, poems and miscellanea. - Summary by Sonia
